

A Tough-PAC® for iPad/ iPad AIR 10.2" - 10.5"

Tough-PAC®

Tough-PAC® Tablet is a hard shell anti-microbial enclosure & docking system for iPad 10.2" & 10.5" designed for use in healthcare or other hygiene sensitive environments. It provides all-round-protection against work place damage, knocks, fluids, users, theft and inhibits or destroys surface contaminating bacteria, fungi & moulds. With busy staff in mind **Tough-PAC®** has rapid 'Simply-Dock' cradles, multi-docks and VESA mounts removing the need for plugging in cables for routine charge or sync functions - complete flexibility. Includes antibacterial hardened glass screen for 360° protection against potentially harmful surface contamination. **Tough-PAC®** Tablet cases for iPad add quiet secure confidence, safety, ease of use and low maintenance - peace of mind.
