

Baaske BT01 medical keyboard

Baaske BT01 keyboard

The Baaske BT01 is a washable and waterproof keyboard. Fully encased in silicone, this medical keyboard impresses with its optimized key height, which makes it easy to clean and at the same time gives the feel of a modern laptop keyboard. The pleasantly quiet key actuation offers the user comfortable operation and an excellent pressure point. Thanks to the 'ON/OFF' function, the keys can be locked for easy cleaning. Standby mode is also activated after 10 minutes of inactivity.

Benefits:

- Hygiene keypad
- Fully sealed (IP67)
- Easy to clean
- Range: 10 m
- Excellent, noiseless keystroke

Baaske BT01 keyboard,
for sensitive areas where
hygiene is a must.
